

Family of
Woody Bowen
1782 - 1975

Cornie B Branyon
December 1972—

The long and tedious hours in my study of the Bowen family relationship follows back through many years. In my careful genealogy research it has been such an interesting and rewarding experience.

So many of you have been so helpful, not only in giving information but the encouragement you have given me. I do appreciate and thank you, it will be long and gratefully remembered.

In closing this, my second edition, it may prove in some instances incomplete. It could also record errors or where changes should be made. Any comment would be deeply appreciated along with any information you care to share with me. It is my intention to seek more information and I covet your continued help, as I want to make an amended addition in 1976.

Coat of Arms

Bowen

Historiography

The Bowen Coat of Arms illustrated left was drawn by an heraldic artist from information officially recorded in ancient heraldic archives. Documentation for the Bowen Coat of Arms design can be found in Rietstap General Armory. Heraldic artists of old developed their own unique language to describe an individual Coat of Arms. In their language, the Arms (shield) is as follows:

"Azure, a stag argent, vulned in the back with an arrow, attired on."

Above the shield and helmet is the Crest which is described as:

"A stag as in the arms proper."

When translated the blazon also describes the original colors of the Bowen Arms and Crest as it appeared centuries ago.

Family mottos are believed to have originated as battle cries in medieval times. A Motto was not recorded with this Bowen Coat of Arms.

Individual surnames originated for the purpose of more specific identification. The four primary sources for second names were: occupation, location, father's name, or personal characteristics. The surname Bowen appears to be patronymical in origin, and is believed to be associated with the meaning, "son of Owen."

The supplementary sheet included with this report is designed to give you more information to further your understanding of the origin of names. Different spellings of the same original surname are a common occurrence. Dictionaries of surnames indicate probable spelling variations of Bowen to be Bown. Although bearers of the old and distinguished Bowen name comprise a small fraction of the population there are a number who have established for it a significant place in history. They include: EMANUEL BOWEN (fl. 1752) He was a map engraver to George II and Louis XV. JOHN BOWEN (1756-1832) Painter and genealogist. He was the son of JAMES BOWEN, who died in 1774. John made antiquarian collections which were related to Shropshire. NATHANIAL BOWEN (1779-1839) D.D. American Bishop. He was an instructor at the Charleston College in 1794, and held Rectorships in Providence, Charleston and New York. In 1818, he was consecrated as Bishop of South Carolina. WILLIAM BOWEN (1785-1815) American physician. He was a pupil of Sir Astley Cooper of London, and in 1812 he was appointed Professor of chemistry at Brown University. He died from a disease or injury which was a result of an experiment he was performing on the bleaching properties of chlorine. SIR GEORGE FERGUSON BOWEN (1821-1899) Colonial Governor who was educated at Trinity College at Oxford. He was President of the University of Carfu from 1842 to 1851, Chief Secretary to the Government in the Ionian Islands, Government of New Zealand in 1867, and Privy Councilor in 1886. He was the author of "Mount Athos, Thessaly and Epirus."

YOUR NAME AND YOUR COAT OF ARMS — — Priceless Gifts From History

Until about 1100 A.D. most people in Europe had only one name (This is still true in some primitive countries today). As the population increased it became awkward to live in a village wherein perhaps 1/3 of the males were named John, another sizable percentage named William, and so forth.

And so, to distinguish one John from another a second name was needed. There were four primary sources for these second names. They were: a man's occupation, his location, his father's name or some peculiar characteristic of his. Here are some examples.

Occupation: The local house builder, food preparer, grain grinder and suit maker would be named respectively: John Carpenter, John Cook, John Miller, and John Taylor.

Location: The John who lived over the hill became known as John Overhill, the one who dwelled near a stream might be dubbed John Brook or perhaps John Albrook. **Patronymical (father's name):** Many of these surnames can be recognized by the termination-son, such as Williamson, Jackson, etc. Some endings used by other countries to indicate "son" are: Armenian — ian, Danish and Norwegian — sen, Finnish — nen, Greek — pulos, Spanish — ez and Polish — wicz. Prefixes denoting "son" are the Welsh — Ap, the Scotch & Irish — Mac and the Norman —

Fitz. The Irish O' incidentally denotes grandfather.

Characteristics: An unusually small person might be labeled Small, Short, Little or Lytle. A large man might be named Large, Long, Lang or Longfellow. Many persons having characteristics of a certain animal would be given the animal name. Examples: a sly person might be named Fox, a filthy person — Hogg, a good swimmer — Fish, etc.

In addition to needing an extra name for identification, one occupational group found it necessary to go a step further. The fighting man: The fighting man of the middle ages wore a metal suit of armor for protection. Since this suit of armor included a helmet that completely covered the head, a knight in full battle dress was unrecognizable. To prevent friend from attacking friend during the heat of battle it became necessary for each knight to somehow identify himself. Many knights accomplished this by painting colorful patterns on their battle shields. These patterns were also woven into cloth surcoats which were worn over a suit of armor. Thus was born the term "coat-of-arms".

As this practice grew more popular, it became more and more likely that two knights unknown to each other might be using the same insignia. To prevent this, records were kept that granted the right to a particular pattern to a particular knight.

family also shared his right to display these arms. In some instances, these records have been preserved and/or compiled into book form. The records list the family name and an exact description of the coat-of-arms granted to that family.

Interest in heraldry is increasing daily. This is especially true among people who have a measure of family pride and who resent attempts of our society to reduce each individual to a series of numbers stored somewhere in a computer. In our matter-of-fact day and age, a coat-of-arms is one of the rare devices remaining that can provide an incentive to preserve our heritage. We hope you'll agree that it is much more than just a wall decoration.

If you are interested in a more in-depth study of the subject of this paper, may we suggest you contact the genealogical department of any fair sized public library. We especially recommend the "Dictionary of American Family Names" published by Harper & Row and also "The Surnames of Scotland" available from the New York Public Library as excellent sources on the meaning of surnames.

The Name Bowen

1

The surname "B O W E N" is derived from the Welch "ab Owen"- meaning "sons of". Early Welch surnames were represented by a list of Christian names separated by "ap" or "ab", as "William ap Robert ap James ap Thomas". When one of the family arrived at some importance he would take as surname the Christian name of his father. So that it came that "ab Owen" came into usage. At times brothers would have different surnames.

The Bowen lineage traces back to Bleddin ap Maenerch, last British Sovereign of Brecknock, as recorded in "Limbus Platum Morganiae et Glamorganiae" by G. T. Clark, and "the Gilden Grove Book" by Hugh Thomas, Deputy Herald, 1703. A span of 369 years lapses from the death of Bleddin in 1098 to the death of Morgan ab Owen in 1467 (founder of Court House, Glamorganshire).

Our branch of the family dates back to the Bowens of Court House, Ilston, Glamorganshire, Wales. Dropping the "ab" in front of the Owen they became Bowen sometime around the year 1441.

A member of this family, Colonel Henry Bowen, went to Ireland with Cromwell and settled there. This branch of the family is very ably presented by Elizabeth Bowen in her "Bowen's Court", written during the years 1939-1941. Several of the family settled in New England.

This material is assembled in order that you might know from whence you came, and with whom you are related. Also that in the years to come you may keep this record up-to-date by recording marriages, births and deaths as they occur.

The above was taken from the Bowen Family of Georges Creek, Pickens, S.C. by John McGowan Bowen, Sr. (born 9-10-1900) He is a son of Moses Bowen who married Rebecca Reese, they came from Wales, settled in Chester County, Pennsylvania 1698. Later moved to Augusta County Virginia 1710. They had one son, John who married Lillian McIlhenny. I believe this to be the same family as Our Bowen's since we have located a Sterling Bowen who registered with army from Virginia see page .

WELSH SURNAMES

Hereditary surnames in Wales are a post-sixteenth century development. Many of the modern surnames derived from old Welsh personal-names arose in England where they became hereditary in the fourteenth century or earlier, long before such surnames were known in Wales; some, in the eastern counties, derive from Breton immigrants. The normal type of Welsh name was a patronymic: Madog ap Jevan ap Jorwerth, 'Madoc, son of Evan, son of Yorwerth', a type which resulted ultimately in such names as Pumfrey, Benian, Bevan, etc. In 1292, 48% of Welsh names were patronymic of this kind (in some parishes, over 70%) others included nicknames, occupation-names and some local surnames. The great majority of the surnames in the Extent of Chirk (1392-3) were of this patronymic type, with occasional nicknames (Jevan Glugh, Ithel Lloit, Grono Vachann), rare occupational -names (Madog Taillour), and a few simple personal-names (Jevan Annwyl, Jevan Gethin), none of which are hereditary.

In later Chirk documents these patronymics were still the normal form. In 1538 all the thirteen men of a jury had names like: John ap Madog ap Gryffyd ap Res junior. There is evidence that a change had begun. Edward ap Richard and Edward ap Robert point to the future preponderance of the Welsh Jones, Williams and Roberts. In 1536 we find one such name already hereditary: John Edwards son of William Edwards. It was only in the reign of Henry VIII that surnames began to be hereditary among the gentry of Wales and the customs spread only slowly among the common people. Even in the nineteenth century, in Merionethshire, it was still not uncommon for a man to take his father's christian name as his surname: e.g. William Roberts son of Robert Williams. The three sons of

Evan Thomas and Gwen Jones were known as Howal Thomas, Hugh Evans and Owen Jones, surnames derived (i) from father's surname, (ii) from his christian name, (iii) from the mother's surname. In the nineteenth century, the frequency of Jones, Williams, etc., brought a need for further distinction and a tendency developed to create double surnames by prefixing the name of a house, parish or the mother's surname, as Cynyddlan Jones, Rhondda Williams, etc.* In the following generation a hyphen was often introduced, hence Nash-Williams etc.

The following was copied from Archives in Columbia, S.C. by Mr. Leonardo Andrea for Mrs. C.C. Clinkscales, Greenville, S.C. and I was given his permission to copy same., date 9-22-1963.

This data on the Family of Bowen has been compiled from the data on that name in the South Carolina State Archives. In order to complete the data, a study will have to be made in the various county seats where the Bowens resided. I have found the name as Bowin, Boin, Boen as well as Bowen. The name is Welsh and all of the Bowens originally came from Wales.

I have checked the immigrant list carefully from 1750 on and find no names under Bowens who came direct to South Carolina as immigrants. All of the Bowens in South Carolina came either from Pennsylvania down thre Virginia and North Carolina or else came from New York State and New England by Water to Charleston.

- 1 The Colonial Counties of South Carolina were four in number. The county lines up state were indefinite and often a land grant is listed in one county when actually it was in another county. Also along the N. C. line many land grants are listed in N. C. when they actually were in S.C.

The first and largest of the colonial Counties was Craven which began with the mouth of the Santee River and followed the north bank of that river to Columbia (Congaree River until 1765 was called Santee also) and from Columbia in a straight line to a point where Pickens and Greenville County now join. Craven was supposed to have followed up the Broad River but did no..... The second county was Berkeley and began with the present county of Charleston and followed the south bank of the Santee to where Columbia now is and then in a straight line along Craven to the N. C. line.. from there Berkeley was supposed to follow the Saluda River on the west side to the head of Lake Murry and then across to the Edisto River and down that river to the Atlantic.... The third Colonial County was Colleton and began with the present county by that name and followed up along west side of Berkeley to the N. C. line, but it actually ended somewhere above the present town of Ninety Six in Greenwood County. The west side of Colleton followed the east side of Granville.... Granville was the fourth county and began with the present counties of Jasper and of Beaufort and was a narrow county. On the east it followed along the west side of Colleton and Berkeley to N. C. and from N.C. it followed on the west along the east bank of the Savannah River to the Atlantic.

- #2 Except where land was given in payment for some sort of service or in payment for fetching in colonists, the land was allotted according to the number in the family (Certain years the English Crown gave 50a to the head of the family, 50a to his wife and 50a for each dependant under age 16) and except for certain years a man was allowed 100a for himself 50a for his wife and 50a additional for each dependent under 15 years. A single man or woman nearing the age of 16 or over 16 was allowed 100a for himself or herself save for the years when the limit was 50a. No married womas unless a widow was allowed a land grant.

- 3 Often a man could not find any free land in the particular location where he wanted to settle, he would then buy land. When other children were born in the family, additional 50a was allowed and often marked "Increase in Family"

- 4 After the Revolution, the laws in #2 were done away with and a man or woman could take all the free land he could fine available within a reasonable limit.

Lands

4

- 5 BOWEN Land Grants before the Revolution from Index 1 & sec #3 1-4
Andrew Bowen, 150a on West side of Saulda River in Craven 5 May 1773
John Bowen, 500a in Granville County 10 May 1773.
John Bowen 250a on Salkehatchie Creek in Cranville 31 Aug. 1774
John Bowen 2 grants of 100a each on Durbin Creek in Craven 6 Sept. 1774.
John Bowen 250a on Durban Creek (Laurens County) Craven 6 Sept. 1774.
Raleigh Bowen, 300a on Enoree River in Craven Co. 23 Dec. 1771.
Thomas Bowen 2 grants of 100a in Welsh Neck between the Big and Little
Pee Dee Rivers, 30 Dec. 1742.

This Thomas Bowen was definitely the first Bowen in S.C. to take a land grant

- 6 Thomas Bowen a land plat for 100a land surveyed 13 Dec. 1742 by George Pawley in the Parish of Prince George on the west side of the Big Pee Dee River and adjoined by lands of John Carter and Vacant land.

6a Thomas Bowen a plat for 100a land surveyed upon a warrant issued 6 Jan. 1741 and on South east side of the Pee Dee River and adjoined by lands of BOWEN, vacant land and Mrs. Corry's land... Surveyed by George Pawley.

6b This Thomas Bowen was from Pennsylvania to South Carolina. The land limit was 50a when he took his survey and this indicates he had himself, a wife, and two children under the age of 16.

6c No Memorial Land Tax return was made on these 200a of land... This Thomas Bowen may have died, he may have sold the land and it was returned be the then present owner, or else his tax return may be in the one book of returns which is not available.

7 This same THOMAS BOWEN and "increase in Family" had a plat surveyed for himself 9 Mar. 1749 by James Gillispie for 100a in the Welsh Tract and between the Big and Little Pee Dee Rivers and by the lands of Thomas Bowen and vacant land.... Thomas Bowen did not take this 100a for himself but had it certified for Walter Downs by an order dated 3 July 1753.... The inference is that Walter Downs was a son in law or a brother in law.... Walter Downs also came in from Pennsylvania and was a leader in the old Welsh Neck Baptist Church which was organized by a body of Welsh people who had removed to S. C. from Pennsylvania in that county which is now a part of the state of Delaware... I have made a recent study of the Downs family and have some data on Downs, many of whom came to the present counties of Richland, Sumter and Kershaw. In looking over my notes, Thomas Bowen seems to have perhaps been a son in law of some of these Downs.

8 RICHARD BOWEN, a plat for 200a of land surveyed 15 Dec. 1759 by Samuel Wyly for Richard Bowen and said 200a land on Grannies Quarter on Flat Rock Creek of the Wateree River (present Kershaw Co.) and all sides vacant at time of the survey.... I was unable to find any land grant for this 200a tract surveyed for Richard Bowen.

9 John Bowen, a plat for 100a on west side of the Enoree River on a creek called Durbin and surveyed by John Winn order of warranty issued for John Bowen 23 Dec. 1766 and surveyed by John Caldwell 1 Jan. 1767. Said land adjoined by lands of Godfrey Mayer and vacant land.. Also John Boin a plat for 100a on Durbin Creek surveyed 20 Feb. 1768 by Ralph Humphries and vacant land and lands of John Bowen... Note in #5 that these two grants had been surveyed almost 10 years before they were granted.

10 JOHN BOWEN, a plat for 300a land in Cranville Co. in the Parish of Prince William surveyed 20 April 1773 by Benjamin Cook and by lands of John Ward and Mr. Kinsley.

- 5
- 11 John Bowen a plat for 250a land on Durbin Creek in Craven Creek in Craven Co. (Laurens) surveyed 30 June 1774 by John Rodgers by lands of David Anderson and vacant land. see # 5
 - 12 William Bowen a plat surveyed 25 Nov. 1775 on Durbin Creek of Enoree River by James Wofford.... Not taken then as a grant but 29 June 1785 William Bowen Jr. takes over this 100a land as "My part of my right to 640a land".... Evidently the original William Bowen for whom the land was surveyed had died and William Bowen Jr. took it over as a portion of his right.
 - 13 John Bowen a plat for 250a land in Colleton Co. on Half-Moon Branch with all sides vacant land and surveyed 10 June 1774 by James Thompson.
 - 14 Rolly (Raleigh) Bowen a plat for 300a land on the Enoree River in Craven Co. surveyed 29 May 1768 by William Wofford and by the lands of Ralph Humphries, Joseph Attataw and vacant land... see #5 as grant to Raleigh Bowen... himself, wife and 4 children under age of 16.
 - 15 The English Crown levied a tax on all land grants for a term of ten years. This return had to be made in Charleston and often a neighbor who was making a trip to Charleston would make the land returns.... In the Index listed for Memorial Tax returns are;
 Anna Maria Bowen 1 return.
 John Bowen 4 returns.
 Rolly Bowen 1 return.
 I did not check these tax returns save for the one I noted had no grant. in #5
 Andrew Bowen and Thomas Bowen had no returns listed from #5/
 - 16 Book 14 page 46... Anna Maria Bowen, a memorial Tax return for 100a land in Amelia Township (Orangeburg) by lands of Francis Floweret, John Jones and William Thompson... said land was granted 22 June 1759... The return was made in Charleston 22 June 1761... see #8, this may be for 100a of the survey for Richard Bowen and Anna Maria being an heir.... Note that no grant was made to Anna Maria Bowen

Robert Bowen 3 plats	Thomas Bowen 1 plat

21 Benjamin Bowen a plat for 337a land certified for him by Robert Anderson 3 Aug. 1787 on the Double Branches of the Saluda River in the 96 Dist. & surveyed for him 26 Aug. 1787 by John Martin and by lands of James Reden, Peter Acker and vacant land..... also a plat for 490a certified 2 Dec. 1788 by Robert Anderson for 490a at the Double Branches of the Saluda River in Abbeville (Later this portion was pendleton) and surveyed 2 Dec. 1788 by John Martin and by lands of Peter Acker, Robert Moore and vacant land.

22 Franklin and Ann Bowen a plat for 76 $\frac{1}{2}$ a land in Kershaw county surveyed 12 Feb. 1828 by Stephen C. deBruhl and by lands of Ann Bowen, William Rabb & James Levy.... There is also a plat for the lands of Frederick Bowen and John Bowen Jr.... Also a plat surveyed 19 July 1826 for John Bowen and Fredrick Bowen for 107 $\frac{1}{2}$ a land in Kershaw Co. by the lands of John Taylor, Samuel Cipson and the Estate of John Bowen St.... The chain bearers were Frank Bowen and John Wood.

22a Estate of John Bowen St.... In Kershaw it is likely that one will find an administration for John Bowen Sr.... I think that some of the lands for Frederick, John Jr. and Ann were some sort of a division of some of the lands surveyed for John Bowen in #17 who had so much land.

23 Robert Bowen a plat for 172a land on the middle fork of George's Creek and the Saluda River certified by Robert Anderson by date of 11 Nov. 1782 and surveyed by William Benson 7 Dec. 1784 by vacant land and lands of John Allen.. also a plat for 100a surveyed by James Seaborn 4 May 1785 for Leonard Morgan and certified for Thomas Bowen 26 Apr. 1786 and by the lands of Mr. Bates and James McAdams... Also a plat for 284a land surveyed for Robert Bowen by William Benson 14 Oct. 1786 on the Middle Fork of Saluda River with Georges Creek and all sides vacant

24 Revolutionary Files for BOWEN... The State of S.C. paid its men for service and all claims for provisions up until July 1779... after that date no money was available for payment of claims. In 1782/83 an act was passed to pay all claims which were proved with Indents which bore interest. These were a sort of script money and had to be collected in Charleston until 1788 when the capital was removed to Columbia. The men often sold the claims, other kept them and collected the interest as it fell due and later the Indent. ~~Atte~~ Often they would send these by kinsmen or neighbors to Charleston for collection hence pay particular attention to whom the indent was made payable to.

24a Men from S.C. who served in the Continental Army have their files in Washington. In the S.C. Archives are a few photostats of some of the Continental Rolls of musters.

Benjamin Bowen, Pension	David Bowen
John Bowen, several Johns	Joshua Bowen
Sterling Bowen	Susan Bowen
Thomas Bowen	W. P. Bowen

These names above show in S.C. Archives in one way or another.

25 William Bowen was a Tory and Loyal to the British Government but there is no particular data as to him.

26 John Bowen in the S.C. Continental Regiments from S.C. and in S.C. Regt. No. 14 and S.C. Regt. #18.

27 Benjamin Bowen from S.C. in Revolution and a state pension... 2 Dec. 1829 Benjamin Bowen then a resident in Anderson S. C. asks for a State pension for his service and states that he never put in a claim for any of his six years of service and has never received any pay save for his service against the Cherokee. He stated that he saw service for six years and was under Capt. Arthur Forbes. He states his wife (not named) was aged 64 years... He was allowed pension for his unpaid service and receipts show for the years 1830-1834.

The following men swore to his service.

Phillip Evans before William Berry, J.P.
John Wilson before James Osborne J.P.
Andrew Hughs before James Osborne J.P.
Sampson Pope J.P.
Baylias Earle before Joseph N. Whitner of Pendleton J.P.

A photostat will show the original signature of this Benjamin Bowen.

28 Benjamin Bowen of Pickens Co. S.C. drew a Revolutionary Pension "W20 743 and stated he was born in 1756 in Lancaster Co. Pennsylvania and removed before the Revolution with his parents to Guilford C. N.C. and enlisted in the Revolution in Guilford Co. N. C. in 1776 and saw service under Capt. John Nelson in Col. Piasley's Regt.... and also under Col. Lock and under Capt George Pierce and Capt. Smith Moore.... Pension was allowed in Anderson Dist. S.C. S.C. Agency He died 5 Nov. 1837/37. He gives a list of his children and their birth dates as well as his marriage. I will give these later on.... This Benjamin Bowen is not the same Benjamin #27 However both resided in Pendleton Dist.

29 Thomas Bowen of the Pee Dees... Private in 1782-83... He sold his indent in Charleston to Abraham Markley and the interest was collected by Thomas Lehre.

30 Thomas Bowen for service in the Continental Army... He may be the same Thomas as in #29

WILLS AND FAMILY DATA

- 43 All wills, administrations and deeds and other papers in S.C. were recorded in Charleston up to 1782/85 and Charleston files will have to be searched for data up to that time.... In the State Archives are copies of all S.C. wills up to 1850/60 from 1680 save from the counties of Georgetown, Chesterfield, Lancaster, Dorchester, Beaufort, Orangeburg and Lexington where Sherman burned the records... No deeds or administrations when a man died intestate are in State Archives and that data has to be searched for in the various counties..... the WPA copies of wills are about 5% inaccurate when compared with the original wills on file in the county seats.

 /wit. J. Louis Petigru, James Lowndes & C. E. Powell
- 46a I hardly know whether this Margaret Watson Bowen is widow of Maj. Thomas Bartholomew Bowen #45 or not... The Hillsboro and Lining names incline one to think so.... If she was a widow of Maj. T. B. Bowen then she was likely a second wife and when she died a very old lady..... Susan Bowen was wife of Charles Lining and Hillsboro was the Lining Plantation house, a show place above Charleston.

My niece, Mary Rebecca Crow, daughter of my sister, Mary Crow, will have all my furniture and beds and silver ect.

/wit. William Lord and Samuel Postell.
See #12 for the completed land grant in Laurens surveyed for William Bowen Sr. and taken over in 1785 by William Bowen Jr. and likely the nephew.
This Bowen definitely ties in with Charleston and Laurens... I am wondering if the Widow, Judith Bowen in #39 is the same sister in law, Hannah in #44?
- 45 Here we get a constructed Family Group of brothers and a sister.
William Bowen Sr. #44
John Bowen, deceased in #44
Mary Bowen m.----- Crow in #44
Raleigh Bowen in #44 and #39.
Jacob Bowen in #39 may be a brother for note that John Bowen in #44 named a son Jacob Bowen.
George Bowen in #34 may be a brother for he had a son, George Bowen, Jr. who settled in Laurens Co. SC.
I wonder if John Bowen #48c was the deceased brother? I hardly think so.
- 46 The William Bowen #35 is likely the nephew names as Ex. in #44 for upper St. George Parish was listed in Orangeburg Dist. in 1790 Census.
Laurens County, S.C.
No wills listed for Laurens County but I happen to know several administrations and deeds in Laurens under Bowen.

47 George Bowen married Mary Forr and they resided in Charleston and see 11 them in #34... Capt. George Bowen of Waterloo, Laurens County, S.C. in his Bible states "I was born in Charleston, S.C. 8 April 1783, the son of George Bowen Sr. and his wife, who was Mary Forr..... I find no will for this George Bowen who is likely a member of #45.

DUKE DATA

This data has been given to me by Mrs. Charles H. Duke, 2411 Monroe Ave., Columbia, S.C.... Mrs. Duke is a descendent of Capt. George Bowen of Waterloo S. C. in Laurens County. She has a certified copy of the Bible of Capt. George Bowen. This Bible belongs to Dr. Sam Hodges of Greenwood, S.C.

48 Capt. George Bowen (see #47) removed from Charleston to Laurens Co. S.C. and settled at Waterloo where he owned a considerable estate. Some of his children had removed to Chicasaw Co. Miss. Capt. and Mrs. George Bowen removed to Mississippi in their late years and both died and are buried near Pikeville, Chicasaw Co. Miss. Their wills are on file in Mississippi... I will type next from the Bible of Capt. Bowen.

48b Mrs. Duke has several original letters written from 1835 to 1860 to and from Waterloo, S.C. and Pikeville, Miss... These letters contain much family history and keen impressions of life in Mississippi.

49 The Bible continues with the Bailey Family of Stony Point and Charleston. Mrs. Bailey was Harriet McDowell Bowen m. 3 June 1845 to James Bailey. ...
I did not copy dates for Bailey children.

LAURENS AND CHARLESTON

51 In #s 34, 35, & 39 we see the Charleston Laurens families of Bowen as well as #s 44, 45, 46, 9, 11, 12 & 14. A careful study of Charleston and Laurens deeds, administrations and other data, should connect the genealogy of this set of Bowens.

52 The Rt. Rev. Nathaniel Bowen D.D. was the Episcopal Bishop of the Diocese of South Carolina. I did not get his family group. Several sketches of him, his work and family are available for checking.... I take his tomb stone data from St. Michael's Episcopal Church of Charleston, S.C.

54a Mrs. Susan Bowen widow of Sterling Bowen in Revolution Files in the S. C. Archives (see #24a).. Mrs. Susan Bowen in Abbeville aged 78, in a petition to the State Assembly asks for a pension, since she resides with her widowed daughter who has two small children... Dated Nov. 1839 in Abbeville Dist. S.C.... She states she was married 58 years ago and has resided in Abbeville for 40 years and that her husband, Sterling Bowen, has been dead 17 or more years... She states that her husband served in N. C. some two or three tours and was in the Battles of Eutaw Springs and Camden. She states " I have the discharge of my late husband which I am sending to you. Please to return it for I value it far more than I do any pension I may receive".... Her petition was also signed by the following men;

William Anderson Sr.

John Brownlee Sr.

John B. Black
Hugh M'Frenzie
John Callahan

A. Morrow
Joseph T. Bell
Dr. A.B. Arnold

54b. I think this is the first original discharge paper from the Revolution, I have ever found in the Archives and the only one I have ever examined save in museums... The state did not return the discharge as requested by Mrs. Bowen. The discharge is far different from any sort of army discharge of the present day. I did not copy all of it.

"Col. William Moore of N. C..... I hereby certify that William Mize and Sterling Bowen joined my N. C. Regt. from Virginia and without any idea of of receiving any pay ect... they joined before the General Draft went into effect and served with my Regiment. ect."

This gives an idea as to where Sterling Bowen came from and evidently resided along the North Carolina and Virginia state line when he entered service with William Mize. The discharge paper is for both men. It states that William Mize and Sterling Bowen entered service together and were discharged together. The original discharge paper has been sewed together with a linen thread.

*

William Mize who served with Sterling Bowen In Mississippi where the Bowens of the family of Thomas F. Richardson went, the members of many of the family of Mr. Richardson are buried in an old Mize Cemetery. To me this seems a sort of clue.... This Mize-Bowen connection.

54c Dr. A. B. Arnold in a letter dated 24 Nov. 1843 write Re. the pension of Mrs. Susan Bowen of Abbeville... Dr. Arnold states that he regrets that he has lost the Marriage Affidavit of Mrs. Susan Bowen to Sterling Bowen. Mrs. Bowen had asked him in 1838 or 1830 to fetch this affidavit to Columbia and turn it over to the Pension Committee, but in some way he lost it.... he goes on to state that Mr. John Bowen (see #54) now a resident of Georgia, made out the Marriage affidavit, and that John Bowen of Georgia was present when Mr. and Mrs. Bowen were married 58 years ago (in the year John made affidavit in 1838 or 1839)

55 Miss Addie Bowen, the daughter of Price and Mrs. Mallie King Bowen, was married 18 June 1929 in Abbeville to Evedon Howell Still... a late marriage notice

56 From Simpson's History of Pendleton published in 1913.

O. A. Bowen, a son of Capt. George Bowen of Laurens county, removed to Pendleton and resided at Rivoli Plantation. He was married to Mrs. Clarissa W. Adger, the daughter of Robert Adger of Rivoli Plantation. Mr. and Mrs. Bowen had issue of;

O.A. Bowen m Mary Taylor, daughter of George E. Taylor.

Robert Adger Bowen single

Jane E. Bowen m Frank E. Taylor, brother of Mary.

George Bowen m Florida Bethel.

Mrs. Duke tells me that there were five children in all. Mrs. Duke also tells me that Orsamus Allen Bowen and his wife, Clarissa W. Adger are buried in Charleston in the old Presbyterian Church yard.... Simpson adds that when O. A. Bowen died, his widow and children removed to Georgia. Two however remained in Pendleton.

57 O. A. Bowen Jr. (son #56) m Mary Taylor and had issue
O. A. Bowen Jr. Edwin T. Bowen
Robert Adger Bowen Emily Bowen, dead (1913)
Catherine S. Bowen

58 Jane E. Bowen (Dtr. #56) m Frank E. Taylor and had issue
Frankie E. Taylor Jr. Clarissa W. Taylor
Jane Adger Taylor

59 Thomas Bowen from Pennsylvania had a 200a land grant and a survey for 100a additional as seen in #s 6 and 7... This was definitely the first Bowen name I have found listed in the S.C. Archives.

60 The S.C. Census in #37 shows but one Bowen as residing in that area in 1790

61 John Bowin is shown on membership roll for 1759-1772 of the Cashusaway Baptist Church on East bank of the Big Pee River... I have the complete Church roll for those years.... Other members by name of Brown were;

Ann Brown	John Brown	Rev. John Brown
Rachel Brown	Sarah Brown	Samuel Brown

Other surnames as members were;

Allison	Ascue	Buckholts	Burk	Cherry
Coker	Cothen	Cox	Edwards	Gibson
F lowers	Ham	Harry	Hodge	James
Jamison	Jenkins	Keith	Knotts	Kolb
Magee	Lewis	Lowther	McCall	McKensie
Malone	Padgett	Murphey	Owens	Pearson
Ponder	Pouncey	Pring	Rowell	Sexton
Russell	Sweat	Teele	Watkins	Webb
White	Whitfield	Pugh	Evans	Webster
Whittington *	Rees			

*Many of the Whittingtons went from old Cashuaway Church to Mississippi. also several other families went into Miss.

62 The Rev. John Brown, pastor of Cashuaway Baptist Church was b.20 Aug.1714 in New Jersey near Burlington and was brought to Pennsylvania as a child. He came in 1737 to S.C. with the Welsh settlers from the Welsh Tract in Pennsylvania now in Delaware... The Rev. John Brown was married to Sarah Newberry.... he was not ordained to the Gospel Ministry until 7 May 1750 and immediately took over as pastor of Cashuaway Church. He took issue of ;

Mercy Brown	Sarah Brown	Martha Brown
Samuel Brown	Mary Brown	Jesse Brown

Brownsville, Marlboro Co. S.C. situated between the Great and the Little Pee Dee Rivers, is named for the Rev. John Brown and had a land grant of 300a in 1742 situate between the two Pee Pee Rivers in Prince George Parish.

63 The older Baptist Church was Welsh Neck Church on west side of the Pee Dee River at Society Hill in Darlington Cou..... The following Brown names show on Membership roll 1759

Mrs. Ann Brown	Esther Brown	Grace Brown
Jeremiah Brown	Nancy Brown	John Downes
Rachel Downes	Sarah Downes	Walter Downes & sec.#7/

Surnames in Welsh Neck Church are;

Jones	Williamson	Huggins	Lide	Hicks
Wilson	Thomas	Bennett	Ayer	David
Ross	Mason	Goodwin	Irby	Kimbrough
Perkins	Monochon	Roach	Walsh	Trawick
Walden	Poland	McIntosh	Wilds	Griffiths

And many others including many of the Cashuaway Church.

64 Ephriam Bowen in Rhode Island in #32 was from the Pee Dee area

65 Sherman burned the records of the old Georgetown and Pr. George Parish. Marlboro, Ma rion and Horry counties have fairly good records... Darlington has records from 1806... perhaps a careful study of these counties may give additional Bowen data, as well as early Charleston files.

66 The first Thomas Bowen from Pennsylvania to the Pee River area between the Big and Little Pee Rivers, as stated, was the first Bowen to appear in S.C. Archives. He was evidently not a Baptist for his name never appears on the Baptist lists of Welsh Neck and Cashuaway churches altho he came with the set of Welsh people who were Baptist.... Not being able in Archives here to find any will, he likely died intestate and had an administration... He had a wife and at least 4 children as I know from his land surveys and grants.... perhaps the Thomas Bowen in the Revolution from the Pee Dee was a son. This Thomas Bowen took his land grant on Reedy River in Laurens ara as noted in #30a..... Ephriam Bowen who went to Rhode Island from the Pee Dee area was likely of the set of Thomas Bowen... The first Richard Bowen in Kershaw and the John Bowen of Kershaw came up from the Pee Dee River area and were likely of this Thomas Bowen set... also the wife of Walter Downes seems to have been a daughter and many of the Downes set came to Kershaw County.

67 Abraham Bowen married Kesiah Jones and resided between the two Pee Dee Rivers.... this is proved by the Mississippi data of his son, Samuel Bowen who went to Mississippi from the Pee Dee area... In his Bible and in talks with his children, Samuel Bowen of Miss. stated he was the son of Abraham Bowen and Kesiah Jones.

67a Abraham Bowen does not show in the 1790 Census in S. C. unless he was the Abraham Bowen in N. C. in #42 in Pitts County N. C. and later removed to S.C. he does not show in 1790 Census.

67b Abraham Bowen does show in the S.C. Census for the years of 1800, 1810, 1820 and 1830 as residing between the Big and Little Pee Dee Rivers. In this census he shows with some nine or ten children... perhaps a study of the Pee Dee Counties in original C. H. records, may get some data on this Abraham Bowen... Mr. Richardson did not send me the county in the Pee Dee area where Abraham Bowen resided from 1800-1830.. Note the name Ephriam in #32 as similar to Abraham... also note Jacob in #39 and the names of Jacob, Isaac and Matthew in #44 and all Bible names as was Abraham and Samuel Bowen... This may denote a connection... also I feel inclined to think the William Mize and Sterling Bowen in #54b may have a clue, since in Miss. the Mize graveyard was used by the Bowen family..I also note Samuel Brown in #61 and since the mother of Samuel Bowen of Miss. was Kesiah Brown, he may have been named for this Samuel Brown.

68 Samuel Bowen as taken from his Bible, was born 17 April 1795 in S.C. (son #67) and died in 1846 in Smith Co. Miss.... He married 16 April 1837 in Miss. to Sarah Hartley in Simpson Co. Miss. Sarah Hartley was a daughter of Frank Hartley and his wife, Elizabeth Whitfield, who also came from S.C.;;; Children:

Mary Bowen b. 2 Feb. 1838 m Henry Beavers and removed to Texas

Caroline Bowen b. 12 April 1839 m Hiram Fletcher

Nancy Bowen b. 21 Jan 1842 m Sampson Arender

Eliza Jane Bowen b. 10 Sept. 1843 m John Purvis

Samuel Bowen b. 14 June 1846 m Caroline Sullivan

Sarah Hartley Bowen b. 16 April 1822 d. 8 Mar. 1886

Another entry in Bible and likely son by a first wife. David Bowen b. Dec. 1836 ... no further data than the recorded birth.

68a This Samuel Bowen from S.C. was 27 years older than his wife and was aged 42 when he wed Sarah Hartley in Mississippi. He married soon after he came to Mississippi.

69 The Hartley and Whitfield families were in S.C. as was the Purvis and Fletcher families... The Arender family were also from S.C.... In Mississippi the McCarty family from Edgefield wed into this Bowen-Hartley-Whitfield-Arender-Larramore connections and all from S.C.

Miscellaneous

Correction in #67.... Abraham Bowen married Kesiah Brown and not Jones as I had typed in... The further Brown data was an effort to tie in Kesiah Brown m. Abraham Bowen.

Mr. Richardson sent me the census data on Abraham Bowen...Note #42 Abraham Bowen 1-0-3 in Pitt County N. C.... The 1800 census does not show Abraham Bowen in Pitt Co. N. C.... the 1810 Census for N. C. does not show any Abraham Bowen... he had likely removed to S.C.

In 1800 Census for Georgetown Dist. S.C. shows Abraham Bowen and he owned 3 slaves then....Also the 1810 and the 1820 Census for Georgetown Dist. shows Abraham Bowen still a resident there... He is not in the 1830 Census and had likely died or removed.

Samuel Bowen #66 was born 17 April 1795 in N. C. as stated in his Bible and family data.. he removed when small to the Georgetown area and was reared between the Big and Little Pee Dee Rivers. His own daughter in her lifetime stated that she had heard her father tell this.

The son, Samuel Bowen had a full name of Samuel William Bowen, Mr. Richardson writes me.... This is the Samuel W. Bowen in #86 who married Caroline Sullivan.

Sarah Hartley Bowen, as widow of Samuel Bowen #68 married a second time in 1851 to John Wellington Moulder and had issue by him of;

Julius Marion Moulder b. 1852

Abraham Jefferson Moulder b. 1854

Jacob Daniel Moulder b. 1855

John Davis Moulder b. 1857

Ellen Susan Moulder b. 1863

This family residing in Western and central part of Smith County, Miss. Most are buried at a cemetery near White Oak Church and in the White Oak Church Cemetery.

The Welsh settlers from Pennsylvania to the Welsh Neck on the Pee Dee River, besides Cashuaway and Welsh Neck Baptist Churches, also had an Episcopal church named St. David, after the patron saint of Wales. I do not have records of the St. David Church to check... also there was a Quaker Meeting House at Pine Grove which was made up of members from Pennsylvania... Much of the Pine Grove Quaker Meeting minutes are on file here. I noted no Bowen in those Quaker files. However many Welsh names do show up in the Pine Grove Quaker Meeting.

The Late Ben Robertson in his novel titled "Red Hills and Cotton" writes more of his childhood and family and uses real names. He tells much of the Bowen Family of old Pendleton District... He names his grandfather Bowen and Uncle Reese Bowen... He states that Moss, Boone and Reese were names in the Bowen-Clayton- Robertson Family;;; Robertson also tells of how the Bowens settled first in Pennsylvania and then to the Great Valley of Virginia in Augusta County.

His branch came to the eastern area of N. C. before they came to Old Pendleton. They lived in eastern N. C. on the Great Pee Dee River... He tells of the old letters dating back to before the Revolution (for he states the Bowens always were great to save all the letters) and of his reading them... He states that his Bowen Family settled on Wolf Creek where they became prosperous farmers. These Bowens of his family were great Baptists and leaders in that church.

John Blassingame m Nancy Easley and among their issue were;

Nancy Blassingame m Thomas Bowen

Elizabeth Blassingame m Reese Bowen

John Easley Blassingame m Mary Bowen

As stated in the beginning of pages this research was made by Mr. Leonardo Andrea for Mrs. C. C. Clinkscales, and I, Eunice Bowen Branyon, was given permission by Mr. Andrea in a letter from him dated September 22, 1963 to use same. Should any use of it be made please use his name in so doing.

I hope some of you who read this will carry the geneology on and fully connect it.

(*) Note; She wasborn on the 4th of July, married on Christmas Day and
 laid to rest on Thanksgiving Day.

Tradition tells us that someone, in addressing a letter to "Centreville"
 which was her home prior to her marriage, wrote the "C" and "e" in such
 a way that it looked like an "A". When shown to her, she jokingly read
 it as "Antreville" and from thattime on "Antreville " became the official
 name of what was formerly "Centreville".

This Note taken from Genealogical magazine edited by Miss Pauline Young,
 Liberty, S. C. March 1954.

Mr. T. Pickens Millford and Miss Hiburna O. Bowen both of Abbeville, S.C.
 were married Wednesday, December 25th, 1872 at 6 O'Clock P. M. at the
 home of the brides father, Sterling Bowen(ebb note)

I wish to express my sincere thanks to all who
helped me in compiling this record.

L. K. Millford
R.F.D. #3 Box 64
North Augusta S.C. 29831
1969

For many years, I have wanted a record of the Bowen family but I could not find one arranged as I thought it should be. Often it is difficult for some of us to remember just "who is who" among our relatives and in the absence of a guide we could refer to, we cannot at times immediately identify a kinsman. This situation is compounded as time passes on and distance separates many of us.

Much of this history centers around Abbeville County and especially Antreville where the Bowen name has been prominent for several generations. In a record of this kind, it is certainly fitting that the spiritual life should be considered. Here, I think, the Shiloh Methodist Church deserves special mention as it was to this church that many of our ancestors came for spiritual guidance.

As to the record I have, it is far from what I would really prefer. So much is unobtainable, such as, date of birth, the full names of children, to whom they married, etc. I feel however, that among the coming generations, we will undoubtedly have some who will be interested in maintaining such a record. To them I affectionately dedicate this as a place to start, feeling sure they can begin where I stop, thereby continuing their particular family history.

I am deeply grateful for those of the family who cooperated with me in compiling this record.

L. K. Millford.

#4-3 The information on this family was received late and I find now that Martha Susan Bowen should be #4-1 according to her date of birth, but since Wesley Bowen is in these pages #4-1 and Thomas Bowen is #4-2 we will carry Martha Susan Bowen as #4-3. She is the eldest of the 3 children of Jones Bowen. Should any of you be able to give me more information about this family I will appreciate you sending it to me.

AT THE TIME OF ADA SIKES DEATH SOME RECORDS OF THE WALKER-SIKES FAMILY ~~WERE~~ ^{WERE} FOUND. I OBSERVED THESE SOME YEARS AGO. AT THAT TIME THEY WERE IN POSSESSION OF HER SISTER, MRS. EVA RYLEE. ADA SIKES WAS THE DAUGHTER OF JAMES JONES AND CATHERINE ELMINA WALKER SIKES. MRS. EVA RYLEE IS STILL ~~OF~~ LIVING IN ABILENE, TAYLOR, TEXAS (JAN. 1971) I BELIEVE IT IS IMPORTANT WITHIN THIS WALKER HISTORY TO RECORD THE WALKER NOTES FOUND AT THAT TIME.

THE RECORD GAVE THE BROTHERS AND SISTERS OF HER FATHER, TOO. HOWEVER, I WILL NOT LIST THEM. THE FOLLOWING / IS THE LIST OF ~~OF~~ CATHERINE ELMINA WALKER SIKES.

BROTHERS: AMAZIAH, ALLEN, HARRIS, JOHN, LEANDER, WATSON

SISTERS: MARTHA, SIS, MALISSA, SUSANNAH

I AM TOLD THAT MARTHA AND SIS WERE THE SAME. HOWEVER I HAVE NOT DISCOVERED WATSON ===FOR SURE.

BELOW IS ONLY AN ASSUMPTION. THE 1850 CENSUS OF ABBEVILLE ~~GEN~~ SOUTH CAROLINA LISTED A WILLIAM W. AGE 19. HE WAS LISTED OUT-OF-ORDER BUT HIS AGE WAS GIVEN AS 19. IN THE 1860 CENSUS OF RANDOLPH CO., ALAB. THERE IS A WILLIAM W AGE 29. AT THIS TYPING I AM ASSUMING THAT THIS MUST BE THE SAME. THE FAMILY WAS LIVING IN HOUSEHOLD /1273---AND MARY A. E. BOWEN WALKER'S FAMILY WAS LIVING IN HOUSEHOLD /1283---BOTH IN WESOBULGA, ALABAMA---NOW CRAWFORD, ALAB. AMAZIAH W. WALKER'S FAMILY WAS IN HOUSEHOLD /1282. I WOULD CERTAINLY LIKE TO KNOW MORE ABOUT WILLIAM WATSON WALKER.

[THE INFORMATION ON JOHN BARNET CARTER'S FAMILY WAS TAKEN FROM A TWILLY BROWN BOOK IN POSSESSION OF MR. J. B. CARTER. THIS WAS SENT TO ME. I MET MR. J. B. CARTER IN THE SUMMER OF 1970 AND I BELIEVE THE BOOK WAS ENTITLED THE CARTER FAMILY---BUT NOT FOR SURE. I DO NOT KNOW THE PUBLICATION DATES. I FEEL THAT IS THE REASON WHY I DO NOT HAVE INFORMATION ON THE MARRIAGES OF NO. 6-9 IS BECAUSE IT WAS PUBLISHED BEFORE THEY MARRIED---AND THIS INFORMATION WAS NOT PASSED ON TO ME AT THIS TIME--1971)

ALAB. CENSUS 1870 AND 1880---ALSO FROM THE 1860 RANDOLPH
CO., ALAB. CENSUS---

THE CHILDREN ARE SCATTERED WITH GRANDPARENTS AND UNCLES
RELATIVES ON THEIR MOTHER'S SIDE.

I HAVE ONE PUZZLE---CAN ANYONE HELP ME? WHERE DOES DAVID
COME IN? YOU SEE LEE MILLER IS WITH MARTHA IN 1860, BUT NOT
1870---SO I ASSUMED THAT HE MUST HAVE DIED UNTIL I
READ THE 1880 CENSUS---AND FIND ANOTHER MILLER CHILD! WHAT
HAPPENED TO LEE?

ALSO IF ANYONE KNOW OF DESCENDANTS OF THE MILLER CLAN
PLEASE LET ME KNOW. I HAVE BEEN INFORMED OF ONE, BUT TIME HAS
NOT PERMITTED ME TO CONTACT HER.

1. SUSANNAH IS NOT ON THE 1850 CENSUS WITH THE REST OF THE FAMILY IN ABBEVILLE, S. C.
2. IN THE 1860 CENSUS OF RANDOLPH CO., ALAB. SHE IS WITH HER MOTHER AND 5 BROTHERS AND SISTERS. SHE IS AGE 10.
3. IN THE 1870 CENSUS IT LOOKS LIKE SUSANNAH---AGE 17. THIS IS IN CLAY CO., ALAB. SHE IS WITH HER MOTHER AND SISTER NANCY MALLISSA----

DOES ANYONE KNOW ANYTHING ABOUT SUSANNAH A. C. WALKER?

#3 Daniel Bowen

The only information that I am able to get is that which Kennie Millford used in his report. I quote " It is interesting to note that three brothers Sterling, George Washington and Daniel Bowen, married respectively Mary Ann, Jennie "Jan" and Catherine Pruitt. These three sisters were daughters of Samuel Pruitt who was a brother of Nancy Pruitt" He also states that Woody Bowen's wife was Nancy Pruitt.

#5 Craig Bowen

The only information I have on Craig Bowen was sent to me by Mrs. S.E. Callaham, Charlotte N. C. This was taken from the 1850 Pontotoc, County, Miss. Census records ;

Craig Bowen age 22, Overseer for John W. Freeman born in S.C.
(born in Ga.)

The following information was also sent to me by
Mrs. Callaham.
